DESCRIPTION/OPTIONS: ONLY 8000 made! Toyota has burst forth with a special edition aimed at buyers interested in putting a smidge of panache in their commute. Based on the Corolla S Plus, the 2016 Corolla Special Edition shares that car's 1.8-liter four and CVT powertrain but cranks—by maybe a quarter-notch—up the excitement and adds a little exclusivity to boot. Exclusive gloss-black 17-inch aluminum wheels (the lowly Corolla S Plus rolls on 16s) sit at all four corners, and a bangin' "Special Edition" badge is applied below the Corolla wordmark on the trunk lid. Inside, the basic black interior gets red stitching on the seats, armrest, steering wheel, and shifter. The dashboard and door trim get red accents, too. It's a familiar treatment, but we'll admit it's well-executed here. Unique floor mats are emblazoned with the Special Edition logo. The options list includes Entune audio with navigation and app functionality, as well as a sunroof.
